Re: Part B IDEA and Preschool Special Education Entitlement Allocations ~ Fiscal Year 2012

Attached are the IDEA Part B and Preschool Special Education Entitlement allocations for each school district. These figures are the entitlement amounts that should be used in the preparation of your request for federal special education funds. They are reflective of the formula that went into effect in Fiscal Year 2000 for IDEA Part B and Fiscal Year 1997 for Preschool Special Education, as described by Code of Federal Regulation Part 300.705.

Districts can begin their grant applications on June 15, 2011.
